Mikodam

unique furniture and

interior design products

# Mikodam

We are trying to create an effective design process by understanding the needs of designers, architects and interior designers and by getting their opinions about the subject. Our desire is to be open-minded, to pay attention to people and to keep learning continuously.

Sela A  
Sela NMC1

TSELA32NCM1

Sela B  
Sela NCM1

# sela

With its labor intense fine craftsmanship and catching design, it offers two combinations of oak and walnut. Sela NMC1 has an oak border with walnut inlay and Sela NCM1 has a walnut border and oak inlay.

Purely elegant with its exceptional design and strong details, Sela brings a completely different taste to interiors...

# dimensions

Inspired by oriental patterns, Sela aims to carry traditional style to an entirely new futuristic dimension. In this sense, its outstanding design can be adapted to both traditional and modern styles.

TSELA32NCM1

TSELA32NMC1

# podi

With its modern lines and unique geometrical tabletop cut it has a futuristic form, offering the possibility to create the design of your choice with different tabletop patterns and leg selections.

Pedi table offers two different sizes of tabletops. Its geometrical tabletop cut creates a sense of elegantly smooth touch.

TENES32SPBYCLVFM

# enes

A distinctive design, combining ceramic, wood and metal to achieve an outstanding statement. The unique solidwood details of the tabletop clearly display the labor and craftsmanship involved. Indispensable to interiors with its neat yet powerful lines.

## dimensions

The double textured special cut tabletop and strong metal legs offer a perfect solution for an elegant and sturdy table. The sinuous lines chosen for the top create a strong contrast with the clear-cut metal legs.

TSLIM31SMDSBSMCVFM

TSLIM31SMDSBSVCNMK

slim

This table is named after the slim ceramic tabletop which inspired its design. The minimalist design along with the different leg alternatives aim to create a functional and elegant design while seeking to establish an atmosphere of longed for feeling.
