## EPA TSCA Title VI exemption

### Issued to

UPM Plywood Oy - Otepää

### Manufacturing plant

UPM Plywood Oy - Otepää, Tehase 2, EE-67404 Otepää, Estonia

### Product

Product: WISA birch plywood, thickness interval 4-30 mm

### Statement

The product described above fulfils the Ultra Low Emission Formaldehyde (ULEF) requirements for formaldehyde emission set out in the California Air Resources Board (CARB) regulations: §93120, title 17 California Code of Regulations and as a result the manufacturing plant has received an approval (Executive Order N-18-031, issued on May 23, 2018) for an exemption of the CARB Third Party Certification (TPC) program. This Executive Order is submitted to EPA and entitles the product to be exempt from the testing and certification requirements of EPA TSCA Title VI.

The exemption is valid for two years after issue of the Executive Order. After that period the manufacturer must reapply for exemption to either CARB or an EPA TSCA Title VI TPC.
