

Mikodam

# PEPE

## Description

Customizable cabinets, offering design flexibility and integrity. Sophisticated, environmentally conscious, and sustainable.

This product presents clever solutions to complete your spaces. Mikodam Cabinets can be customized by combining body options of various sizes and materials, with different cabinet doors and legs. Generate the designs you dream of at Mikodam.com You can choose from different material alternatives such as wood (oak, walnut) and lacquer (grey, anthracite, violet) for the body of the cabinets and choose from wood patterns or glossy and mate lacquer options for the doors. You can choose between different leg types as well as heights and materials.
