SLIM

Description

Customizable tables offering integrity and self-expression. Sophisticated, environmentally conscious, and sustainable.

This product presents clever solutions to complete your spaces. SLIM Tables can be customized by choosing from tabletop textures and different leg options. It also offers different tabletop sizes. SLIM takes its name from the ceramic material its tabletop is constructed of. It presents an innovative material that is lightweight, nonflammable, strong, and stain resistant. It is an easy to clean product that is also resistant to bacteria.
