

Mikodam

GETA

Description

Customizable doors, offering design flexibility and integrity. Sophisticated, environmentally conscious, and sustainable.

This product presents clever solutions to complete your spaces. Mikodam Doors can be used with all Mikodam panels or solo. They provide integrity to all interiors with their different color and material alternatives such as natural wood veneer (oak, walnut, teak), and lacquer (white, grey anthracite). Different Mikodam doors can be chosen for each side of the door.
